NOTE: Hitting the buttons here takes the user to the following:

Save the Route and share with the community: Community
Save the Route to My Routes: My Routes
Continue Recording the Route: Make A Route
Don't Save the Route: Home/Landing Page.

?

Help Text goes here. The help text that appears depends on which page this help page was accessed from. For example, if the user hit the question mark on the My Reviews page, the help text shown here would further explain the purpose/functions of My Reviews.
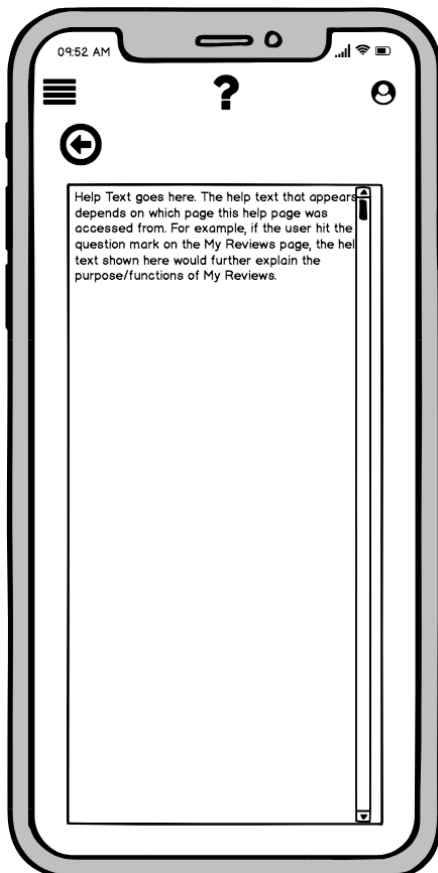

NOTE: This is the help text screen. It can be accessed from any non-side bar menu screen by hitting the large question mark found in the top middle of the screen. Doing so will bring the user to the help text for that screen. Hitting the arrow will take the user back one screen.
